Team Sedro Woolley 4 Titles

^ Bruntil went to Wyoming Seminary her senior year

* Bishop also won her weight at 2 WIAA Invitationals

This is just a list I put together for fun. I took into account the number of titles first. Tiebreakers were on other placings. There are several that could be changed and I encourage you to email me your thoughts. I think in all cases the wrestlers competed at least once in their weight at state. I tried to keep them in their decade but there are some that competed in 2 decades. Also, I only looked at their high school career. I didn't see all the wrestlers so I went off titles/placings/legendary stories passed down from other coaches.
